6. **State Team Representatives**

## ***President***

The 2019 season for Bayswater Lacrosse Club was a great time for our club. Bayswater was well represented in a number of state teams for 2019 for both men and women.

I would like to thank all of our players, supporters, volunteers, members and committee members for all their support and hard work at the club.

This season would not have been possible without the help and dedication all of our wonderful Bayswater Lacrosse community who, week in and week out, support our players and help with the running of our club.

A big thank you goes out to our executive, Narelle Tatlow for her efforts as Finance Director. Murray Gates, Vice President and Margaret Morley for stepping into the role of Club Manager, I really appreciate the support they have given to me and committee members to keep our club running.

We have been fortunate enough to have two talented players from the USA this season, Casey Elkins and Sam McCoy, who put in time and effort to assist with coaching our under 17's team. Warren Brown was a huge help both coaching at the start of the season and assisting Casey and Sam once they arrived from the USA. This season saw our 15's boys, coached by Max Rowse & Josh McDavitt, work hard throughout the season with most boys playing 15's & 17's throughout the season. Julian McGrath did another great job with the U11's and Lloyd Morley had another good season with our U13's boys.

Our junior girls continue to perform extremely well and all teams had great success this season, our U13's coaches Chloe Tatlow & Isla Frazer did a great job. I must commend Chloe on her Scholarship to Walsh University in the USA this is a fantastic opportunity and I know we all wish her the very best in her lacrosse and studies.

I must say Rachel Anderson & Maddy Koelmeyer have had another amazing year coaching together both in U15's & U17's girls and the club really appreciates the effort from these two they do a great job with the girls as well as playing themselves.

Our State League men's team again performed fantastically well to reach the grand final and played terrific game to defeat East Fremantle, it was an awesome effort and we should be very proud of every one of the players and Adam Jorre de St Jorre who has a premiership in his second year as coach, great job Frenchie! Another awesome game from Max Rowse too with MVP Kuljak Medal for his performance in the Grand Final. A big thank you to Glenn Morley & Mark Graham for all the help to Frenchie and the team.

Another tough year for our boys in Division 2 but as always, a great effort and never say die effort by all, a big thanks to Glenn Morley for making the time to coach the team, we all know Glenn has a very hectic schedule.

An awesome effort by our Division 3 guys this season to make the Grand Final, defeating East Fremantle in the preliminary final only to go down to Wanneroo in the Grand Final in a hard-fought low scoring game, albeit in fairly controversial circumstances. A great team effort guys!

Liz Shields is doing a fantastic job as always coaching our Women's State League and has worked hard to continue the improvement in our players and team from last year, all the girls are working really well and those wins are not too far away.

To Zowie Day and all the girls in Division 2 women's you have had another fantastic season, great team effort.

### **Acknowledgements**

I think it important to acknowledge the fact that Bayswater Lacrosse Club has been well represented in our sport this year at a state and national board level. We have Glenn Morley National President of Australian Lacrosse Association, Evan Walters as State President of Lacrosse WA, Murray Gates and myself as Directors on the board of Lacrosse WA.

Congratulations to Donal Wild who made the state senior men's team also to Chloe Tatlow and Emma Green who made it into the state women's team who travelled to Melbourne for the championship. Also, congratulations to Adam Jorre de St Jorre (Assistant Coach) and Mark Graham (Statistician)

Bayswater Lacrosse Club was again well represented in the state Under 18's boys' team by Jakson Bowran, Donal Wild and Josh Tatlow, with myself as team manager. In the girls we had Chloe Tatlow, Isla Frazer, Rebecca Adamson, Millie Doherty and Liz Shields as assistant coach along with Faye Beaman at team manager.

Special congratulations to Max Rowse and Josh McDavitt who made Lacrosse WA Men's All Stars Team, great job boys.

We would also like to congratulate Jakson Bowran on being awarded Fairest and Best for Lacrosse WA U17's boy's competition and Veronica Keen Runner Up Fairest and Best Lacrosse WA U13's girl's competition, fantastic effort by both of you.

Our club is forever appreciative of the tireless work put in by our wonderful volunteers. On behalf of Bayswater Lacrosse Club, we are especially thankful to the Committee, players and volunteers who made this year a success, namely;

- Faye Beaman & Margaret Morley in the Canteen along with help throughout the season
- Kieran McCoy & Brett Mayer for their help in maintaining our field marking;
- Sue Kirkby, Nicole McKenna, Carole Bowland, Les Wild, Evan Walters, Julian McGrath and John Keesing for their efforts as referees;
- Matt Tatlow as Bar Manager and Mike Gates and others as regular bar attendants;
- Liz Shields, Rachel Anderson, Zoe Day, Maddy Koelmeyer, Chloe Tatlow, Isla Frazer, Julian McGrath, Lloyd Morley, Mike Burton, Max Rowse & Josh McDavitt and Warren Brown for their work in coaching;
- Margaret Morley for making all the amazing Thursday night meals for Senior Men.

A further thank you is extended to all of the assistant coaches, junior umpires, team managers, scorers and timekeepers who tirelessly help our teams get on the fields each week.

It is the commitment of so many that makes Bayswater such a strong club now and moving into the future.

We would not be able to achieve the successes we have achieved without the continued support of our incredible sponsors. I would like to acknowledge and thank all of our sponsors, but in particular:

- Kim from Celebrations at Charlies;
- Matthew and Narelle Tatlow from Perth Stairs
- Ken MacLennan Loan Market Corporate
- Mike Burton from Loan Market South Perth
- Mark Whiteman Ray White Corporate
- David Whiteman Ray White Real Estate Mirrabooka
- Craig Hollingbery CH Signs & Print

I lastly would like to thank everyone at the club who has helped in any capacity this year it's been a great and successful year and I can't thank you all enough.

Thank you again for all your support this season, we look forward to a fantastic 2020.

**Bill Bowran**  
**President**

## ***Club Manager***

I have held the position of Club Manager for 6 months, commencing in June following the Special General Meeting to adopt our new Constitution.

Initially the Hotmail and One Drive accounts proved to be a challenge for me, I found using these accounts frustrating at the best of times with no one seeming to be able to guide me through the process. An SOS was sent to Carole Bowland who was more than happy to spend some hours with me before leaving on her extended holiday to give me some insight as to how to navigate through the extensive files on the One Drive account without this guidance I would still be floundering in the dark. Thank you, Carole, your time was much appreciated.

The Memorial Games held this year were well attended by the Bayley/Harris, Szigligeti and Magee Families as well as past and present players. Thanks to Don Kidson (past player) who was able to provide me with many contact details for past players. The MVP for Neil Bayley Memorial Match between Bayswater's U13's and Subiaco saw joint winners announced by the Bayley/Harris Family in Clancy Buckley and Alex McBean. Joe Szigligeti MVP Medallion for the State League game against Wanneroo Joondalup was awarded to Josh McDavitt and the Bill Magee Challenge, State League match saw Bayswater triumph, defeating East Fremantle 10-9.

Congratulations to all our trophy winners in 2019 and in particular Rachel Anderson who was awarded Best Club Person. Rachel also had the honour of the U15's Girls Perpetual Fairest and Best Shield named in her honour for her dedication to Bayswater's junior women's teams over the past 10 years.

2019 saw the introduction of recognising playing members on their milestone games. These ranged from 50 games played to 840, Certificates were presented to our members prior to their milestone games commencing. Murray Gates was instrumental in getting this up and running. Thank you to Murray for your work on this initiative.

Congratulations to our members who were recipients of Lacrosse WA and Australian Lacrosse Association awards

- Jakson Bowran Lacrosse WA Fairest and Best Under 17
- Veronica Keen Lacrosse WA Runner Up Fairest and Best Under 13
- Max Rowse Kuljak Medal for MVP in the State League Grand Final
- Max Rowse and Josh McDavitt Lacrosse WA All Stars
- Donal Wild Australian Lacrosse Association Under 18 All Stars

We have had several core volunteers who assist in the running of our Club, my special thanks go to Narelle Tatlow who in addition to her role as Director of Finance is instrumental in organising the after-game functions and also in conjunction with Bill Bowran the Club Senior Windup. Faye Beaman deserves a special thank you for her role in co-ordinating the Canteen supplies and her tireless work behind the counter on match days. Thank you also to Matt Tatlow who works beyond his role as Bar Manager, our ground marking crew in Brett Maher and Kieron McCoy, Lloyd Morley for keeping the clubrooms clean after the weekends. Thank you also to all those members who assisted in the canteen when their team was rostered on. I hope to extend this roster in 2020 to alleviate the necessity of having one person working in the Canteen all day on match days.

2019 saw Bayswater gain level 3 Accreditation in Good Sports after putting in place policies to cover Alcohol Management, Safe Transport and Smoking Management, all these policies are available on our Web Site.

In addition to Good Sports we have also renewed our membership of the City of Bayswater's Blue-Ribbon Club's Initiative. Bayswater Lacrosse Club has many of the Policies and Guidelines contained in the Blue-Ribbon Club programme in place, but to maintain our status in this programme we must audit these and put into place those policies/guidelines which we have not implemented to date. In addition to this we must also attend information evenings held at the City of Bayswater. If this is all put into place Bayswater Lacrosse Club will gain extra points on the Lease Audit, which will put us in good standing with the City of Bayswater. Blue Ribbon Club's has many resources that will be of invaluable assistance to our incoming Board of Management, this will be high on the Committee Agenda for 2020.

Also high on the Agenda for 2020 will be the recruitment of Social Members, we have a lot of parents and supporters of our club who are not members, it would benefit our club a great deal to have these people become social members. The more members we have the better standing we have with the City of Bayswater and this will also assist in obtaining Funding in the future.

My thanks to Bill Bowran and Narelle Tatlow who have assisted me greatly in my role as Club Manager. Thanks also to the Management Committee for their support during this short term of office. I hope to continue in this role for 2020 with all the Grandchildren attending school next year I will be able to give this position my full support.

**Margaret Morley**  
**Club Manager**

## ***Director of Finance***

Bayswater Lacrosse Club had a great year this year and general feedback was positive.

We had to purchase a new vehicle at the beginning of the season with the old vehicle being written off towards the end of last season. Bayswater Lacrosse Club now owns a 2001 Mitsubishi Station wagon to be used for Development Officer work and by our visiting Americans.

Fees were still the main problem I dealt with this year but much better than last year. We gave a deadline of 1<sup>st</sup> June and most were paid by then. We introduced a direct debit option through a third party to be paid fortnightly or monthly for our member's fees. There is a small fee involved to do this and we thought most people would prefer this option as it makes them committed and gives them the freedom of paying their fees off, in lieu of a lump sum but even though we advertised it no one actually signed up. Next year I would propose that fees are to be paid at registration day or by the first game of the season they must have paid a deposit and be in an arrangement, as the finance director constantly chasing up fees is very time consuming.

I also think an increase in fees is a must for next year as fees haven't changed in price for quite a few years now but obviously our running costs as a club increase every year.

Unfortunately, this year social events at the club were scarce. We tried to organise a few things towards the end of the season but as such too many things were happening at once and we had to cancel these events as we didn't have the commitment from our members. Unfortunately, limited social events affects the clubs bank balance too. Social gatherings upstairs are the club's main income apart from fees and the bar turnover could have been much higher if these events had taken place. The MND (Motor Neurone Disease) fundraiser for Care Cure Support night was cancelled too but as we had already committed to a Bayswater Lacrosse vehicle being in the drive the club had to donate the \$3000. The committee agreed to this regardless of the fundraiser not going ahead. We will be having a quiz night early next season to try to recoup these funds. Three of our Life Members Terry Riordan, Lloyd Morley, Ken Cooper along with Phil Basley participated in the drive representing Bayswater Lacrosse Club along with Matt Tatlow, Mike burton, Ken MacLennan and Adam Szigligeti in the support vehicles. General feedback from the drive was great and commitment for next year again is high. Fundraising from early in the season next year will help support all of this.

I unfortunately will not be continuing in this role for the 2020 season year but will still be helping out around the club and I am also willing to assist the new Director of Finance.

**Narelle Tatlow**  
**Director of Finance**

**CERTIFICATION**

I have audited the accompanying financial statements of the Bayswater Lacrosse Club (Inc.) for the period ended 31st of October 2019.

In my opinion the Income Statement and Balance Sheet are properly drawn up so as to show a fair view of the club.

**Alan LW Abraham (CPA)**  
20th November 2019

## ***Director of Senior Women***

This season saw the return of Zowie Day and Liz Shields to the coaching positions for Division 2 and State League respectively.

Under the leadership of Zowie the Division 2 team made it to the finals where they unfortunately lost by a single goal to East Fremantle in a very muddy game. Division 2 finished 3<sup>rd</sup> on the ladder. In her second season of coaching Zowie has found her groove and has started creating some new training drills which are keeping the girls on their toes. The new drills are refreshing and have had the ladies keen to come down to training.

With Liz Shields as coach, the State league team has become a more cohesive unit with each game and training session. Finishing 5<sup>th</sup> on the ladder is in no way a reflection of the amazing season this team has had. These ladies fought very hard in every game they played, with many games throughout the season only coming down to a couple of goals difference. The State League team has really bonded over the last couple of seasons and I look forward to seeing them in action again next year.

The implementation of several new rules to women's senior lacrosse in Western Australia started this season and overall has been successful. These changes include the self-start rule and changes to the setup of the centre draw that encourages a faster and cleaner game. During the year Kellie Morley hosted an umpiring clinic for all the senior and junior women at the club. This was resounding success with everyone who attended coming away with a greater understanding of the game and more confidence in their umpiring abilities. With the continuing talk of rule changes in the future I believe it would be a great advantage to have another umpiring clinic held either pre-season or early next season to refresh everyone's minds and help guide them with the new rules. I would like to say a big thank you to Kellie for sharing her time and knowledge with the league, it was been greatly appreciated by everyone who attended.

Another big thank you to everyone who stepped up to help cover our umpiring responsibilities this season. Without umpires we wouldn't have games so we really appreciate everyone doing their bit to help out. Special thanks to Rachel Anderson, Suzanne Kirkby and Nicole McKenna for covering the vast majority of Bayswater's share of the umpiring duties.

During the season Chloe Tatlow from the State League team moved to the USA on a scholarship, she will be playing lacrosse and studying at Walsh University in Ohio. We are all extremely proud of Chloe and wish her the best of luck and can't wait to see her when she returns for holidays.

**Rhianna Hill**  
**Director of Senior Women**

## ***Director of Junior Women***

The 2019 junior women's season was a jammed packed with the introduction of 3 teams in the Junior Competition with 13's, 15's and 17's. We had 4 amazing coaches in the mix which made the transition for the players easy and effortless. We fielded a full team in each grade which at the start of the season didn't seem like it was going to be possible. But with the efforts of our coaches, players and committee we managed to make the unachievable, achievable.

We at Bayswater were also lucky enough to have the Subiaco Junior players come over to us due to their low junior numbers at their club this season. We hope with providing them with great teams to play in they can work towards their very own teams at Subiaco next season.

### **13's:**

Our 13's team this season like 2018 had a large number of players on their roster rounding off the season with 18 players on the list which is just amazing. It is a credit to their great coaches Chloe Tatlow and Isla Frazer, along with the help of team Manager Jenny Greaves who together made the season a very successful one. 13's this season made it through to the 2<sup>nd</sup> round of finals where they went up against Wanneroo. It was a very hard-fought game and the girls played so well. Unfortunately, they lost by 1 in the dying seconds of the game.

Congratulations to Veronica Keen who was awarded Lacrosse WA Runner Up Fairest & Best in Under 13's competition

Players:	16-18 approx.
Wins:	6
Loses:	4
Draws:	2
Ladder:	2 <sup>nd</sup>
Head Coach:	Chloe Tatlow
Assistant Coach:	Isla Frazer
Manager:	Jenny Greaves

### **15's:**

Lacrosse WA introduced the U15's competition for women in 2019. The club and myself were worried at the start of the season as we just didn't have the numbers on paper to be able to field a team in this competition. But with the addition of quite a few new players, players from 13's playing up and the Subiaco players we were able to field a full side with 6 subs. This team had Great Spirit and had fun each and every week. It was great to see them grow. 15's this season made it to the 2<sup>nd</sup> round of finals where they versed East Fremantle, East Fremantle are a strong side as much as the girls put up a great fight we just couldn't get on top.

Players:	16
Wins:	3
Loses:	12
Draws:	0
Ladder:	3 <sup>rd</sup>
Head Coach:	Maddy Koelmeyer
Assistant Coach:	Rachel Anderson
Manager:	Vicky Fraser

### 17's:

17's had a great season, with a mix of young and old, experienced and new players. This team never gave up and grew from strength to strength throughout the season. Each and every player played hard and learnt new skills to either take onto seniors next season or to pass onto new players to the 17's side in 2020. 17's this year made it to the 2<sup>nd</sup> round of finals and versed East Fremantle, they did not beat East Fremantle the entire season but in the finals came out and really scared them. Bayswater were up a lot of the game and we pushed East Fremantle to their limits, but unfortunately, we lost by 2. The team put up a huge fight and we are very proud of them.

Players:	17
Wins:	4
Loses:	10
Draws:	1
Ladder:	3 <sup>rd</sup>
Head Coach:	Rachel Anderson
Assistant Coach:	Maddy Koelmeyer
Manager:	Vicky Fraser

### State Representatives

State team representatives in 2019 was no different to any other year. We are so lucky at Bayswater to have so many young players eager to represent their state in the game they love. It is such a great achievement to make a state team, not only being able to represent your state but players and coaches get to show off how great Bayswater Lacrosse Club really is.

Overall, as Director of Junior Women's I found the 2019 season a successful year with some great memories made and lots of fun had, which is what junior sport is all about. With the addition of the new grade in 15'S being very daunting to start, with the help of many it was made all the easier.

All the players this season fought hard and played well for their teams. 2020 I expect to be just as good as the 2019 season and hopefully we will see our 13's, 15's and 17's teams in the finals again representing this great club.

I would also like to take this opportunity to thank all the volunteers, my fellow committee members and all the parents for the fantastic season yet again, it is not an easy task doing what we do, but we do it because we love the game, we love the kids and we love our club.

**Rachel Anderson**  
**Director of Junior Women**

## ***Director of Junior Men***

The 2019 season proved to be a great year with teams fielded in under 11's 13's 15's and 17's. The 13's and 15's teams both made finals with our under 15's boys making the grand final but unfortunately going down by 2 goals in a nail bitter against East Fremantle who were strong all year finishing minor premiers. Big congrats to all players/coaches/parents BLC is very proud. Our 13's trained hard all year but on the day went down to East Fremantle in the semi-final.

This year was tough as usual with numbers in all grades with some kids having to play two games a day to field numbers which was made difficult for parents having to drive to grounds and occasional game having to be delayed to accommodate both teams. Thank you to all juniors who did this as we know it's a big ask as you guys run all day and rarely whinge.

BLC would love to thank all coaches/managers across all grades training Tuesdays/Thursday's rain, hail or shine and early games on Saturdays. BLC knows this is a job with many hours put in behind the scenes. Julian McGrath, Dave Sneddon, Lloyd Morley, Chris White, Thomas Graham, Max Rowse and of course the Americans Casey and Sam. You guys are amazing. I would like to thank everyone who scored/timed and let's not forget the parents. It's great to see you all involved as this is a close family/club. Thank you for all your great work.

Congratulations to all our trophy winners this year with our very own Jackson Bowran named LWA under 17's Fairest and Best with his outstanding year on the field. Well done mate. I would also like to mention players who have been selected for the under 15's Braves team who played in Adelaide at West Adelaide Football Club. Casey Burton, Brody Leahy, Harrison Parker and Reece Pourau our under 18's team was made up of Jackson Bowran, Josh Tatlow, Donald Wild and finally team manager Bill Bowran.

This year our junior windup was held at Laser Tag and presentations held at BLC clubrooms. A big thankyou to Bill Bowran, Margaret Morley and Rachel Anderson for making this all happen it was a great day with good numbers and a fantastic way to end the season for our kids.

Once again, I would like to thank everyone who helped this year and we look forward to growing numbers next year across all grades next year.

**Mark Taylor**  
**Director of Junior Men**

## ***Director of Publicity***

2019 was my first year serving on the Bayswater Lacrosse Committee.

Social Media is everywhere these days and I tried to advertise and link information to as many places as I could. Facebook and also the Team App seemed to be the quickest and easiest way to disseminate information. Facebook was a useful tool for providing results each weekend during the season and for promoting events. Team App was convenient to post links to fixtures, provide team info with training and coach details and for general notifications. Unfortunately, our Instagram was blocked for most of the season and it was only at finals that we regained access to this account again. I find that most of the younger generation prefer Instagram while Facebook is a mixture of ages.

Our online Newsletters still seem like a great source of communication as well, and I linked the newsletter to both Facebook and Team App too so it's always available to everyone. Once a month I sent out a Baysie bulletin newsletter with all upcoming or past information. Great feedback was received especially the last few that were filled with photos. It's a great easy way to keep all generations up to date and involved in our club. The newsletters are also a great chance to advertise our sponsors and link their business pages from our newsletters too.

The website was updated to all current photos and information but more work could be done.

Narelle Tatlow and Liz Shields tried to take photos of most games each week as well as a few other members this year which was a great help. Each week I uploaded either men's or women's games, sometimes both and feedback was always great. Photos on social media are a great way to help get our club exposure and help grow the game, especially when our members share our posts.

I would like to thank everyone who helped and guided me in this role this year.

**Chloe Tatlow**  
**Director of Publicity**

## ***Director of Property***

This was my first year in the role of Property Officer and it has been a learning curve.

The store rooms were all given a clean out at the beginning of the season with the club putting out many of the old uniforms on registration day for players to take.

The Managers bags were repacked and replenished to start the season and the club ordered more throat guards for junior helmets, chin straps for club helmets and girl's goggles.

Sticks and goggles were available for purchase through the season.

The property hire file was updated with new forms that required a coach, manager or committee member to sign out and in borrowed equipment for adults and children. Unfortunately, the file went missing just before the start of the season which meant hiring without paperwork. Hopefully, this can be streamlined in 2020.

At the end of the season Busy Bee we were able to get a register of equipment we have.

Junior Gloves	14	
Senior Gloves	16	
Helmets	41	(approx. 26 junior)
Arm pads	7	
Shoulder pads	5	
Rib pads	7	
Chest protectors	7	

This does not account for gear in Manager's bags.

**Sussan Frazer**  
**Director of Property**

## ***Bar Manager Report***

2019 was another busy year for the club. Throughout the season we had drinks on Thursdays after men's training and Saturdays after senior games and we were also lucky enough to score a Friday night game which was a great night upstairs. The woman also had a few Tuesday night dinners as well as Sunday games and helped support the bar also.

This year we had a massive range of full strength and mid beer, spirits and ciders along with wine. Any requests I tried to accommodate to everyone's tastes. Towards the last months of the season we also tried cocktails which seemed to be enjoyed by all.

The bar sales for 2019 were \$21,356. Lower from 2018 due to not hosting the finals and the fact that unfortunately Bayswater did not have many special events at the club where the bar would normally do quite well. I would propose that this is something the 2020 committee puts in place for early next year as the events are what brings in a great atmosphere to our club and money.

I would like to extended a massive thank you to Michael Gates for his continued support behind the bar and guidance and a thank you to everyone else that lent a hand throughout the year.

**Matthew Tatlow**  
**Bar Manager**

# 2019 Trophy Winners

## Club Award Winners

Best Club Person	Rachel Anderson
Best Team Effort	Men's State League

## Men's Competition
